Thanks, Nancy!

Dear Councilmember Floreen:

I am writing to thank you and other Montgomery County Council Members for agreeing to fund the continuation of all Ride-On bus routes through Fiscal Year 2010, including Route 29, which serves Glen Echo Park. We are so grateful for your support of this critical community service.

It is important to many visitors to Glen Echo Park and the surrounding area that bus service be available. Public bus service makes it possible for our diverse cultural and educational programs to reach a broad audience. Members of the public arrive at the Park on the Route 29 bus for many of our activities, including art classes, festivals, social dances, and – of course – to ride our historic carousel.

Thank you for your support of the Park and the community.

Sincerely,

Margo
